# MORE THAN AN INSTITUTE

## A CAREER LAUNCHPAD

At Truecare Health & Education, we go beyond traditional classroom learning. We are an authorised training centre delivering industry-focused healthcare education designed to prepare you for real-world careers.

Backed by nationally recognised certification bodies and a strong skill development ecosystem, Truecare bridges the gap between education and employment.

Our programs are structured to equip students with practical knowledge, hands-on experience, and job-ready skills demanded by today's healthcare industry.

Whether you are starting your career or looking to build a specialised skill, Truecare provides the right platform to move forward with confidence, with programs aligned to recognised university and skill development frameworks, supported by Gramin Skill Development Mission.

# CHOOSE A CAREER THAT MATTERS

Explore industry-relevant healthcare programs designed for high-demand roles, aligned with national skill and university standards.

**Certificate in  
Basic emergency medical**

**Certificate in Nursing  
Assistant**

**Certificate in  
Diet Assistance**

**Certificate in  
Pharmacy Assistance**

**Certificate in  
General Duty Assistance**

**Certificate in  
Front line Health care**

**Certificate in  
Phlebotomy Techniques**

Each program is carefully designed to combine theoretical understanding with practical application, ensuring you are fully prepared to step into professional healthcare environments.

# CHOOSE A CAREER THAT MATTERS

Our training methodology focuses on real-world application, not just textbooks. At Truecare, students gain

Hands-on lab training

Simulation-based learning

Exposure to real clinical practices

Industry-relevant curriculum

We follow a skill-integrated learning approach where practical training plays a central role in building confidence and competence.

**Because in healthcare, experience matters as much as knowledge.**

# FROM TRAINING TO EMPLOYMENT

Our programs are aligned with industry needs to ensure that students are not just qualified—but employable, with certifications recognised under national skill and university frameworks.

Graduates can explore opportunities in:

Hospitals & Multispecialty Clinics

Diagnostic Laboratories

Emergency & Critical Care Units

Healthcare Support Services

Certification pathways aligned to national skill frameworks supported by Gramin Skill Development Mission, students may also explore career opportunities across different regions and emerging healthcare markets.

**Your career doesn't end with a certificate  
it begins there.**

# BACKED BY A STRONG NATIONAL ECOSYSTEM

Truecare Health & Education operates as an approved training centre within a larger national skill development framework, ensuring quality education and recognised certification.

Our programs are aligned with:

FOR DEGREE AND DIPLOMA CERTIFICATION

SUPPORTING SKILL-BASED EDUCATION  
ACROSS INDIA

ENABLING STRUCTURED TRAINING AND  
CERTIFICATION PATHWAYS

This integrated ecosystem ensures that every student receives training that meets national standards and industry expectations.
